## THE ART OF LUXE LIVING: ASPEN ART MUSEUM

On June 17, *Luxe Interiors + Design* celebrated The Art of Luxe Living at the Aspen Art Museum. Guests mingled with the best of the best, enjoying specialty cocktails and hors d'oeuvres while viewing the wonderful works of the *Restless Empathy* exhibit. Caribou Club Catering provided incredible food for the party, and IWM Cellars complemented the cuisine with a wine selection, tasting and education.
